To whom it may concern:

Masuvally and Partners is an Asian intellectual property firm offering specialized services in all areas of intellectual property including patents, trademarks and designs. Recently, Masuvally's client, Fumoto Giken Co., Ltd., which is based in Japan, was in need of counsel in the United States to handle an important trade dress matter. Through our recommendation, Masuvally hired Lewis Kohn & Walker LLP to pursue a trade dress infringement claim in Federal Court in Los Angeles. Kent Walker, Mike Lane and David Kohn led the litigation team on behalf of Fumoto. Lewis Kohn demonstrated an in-depth understanding of the legal and technical issues and high skill at running our client's case. Lewis Kohn's team was conscientious and diligent in providing its services to Fumoto. Fumoto was very satisfied with the service. We greatly appreciate Lewis Kohn's efforts on behalf of our client. We recommend them highly and without hesitation.

Sincerely,

Hiro Nakao
