

To Whom It May Concern:

February 8, 2016

Our company hired Kent Walker when we got sued in San Diego for allegedly infringing of our own trademark. Kent helped us to get the case dismissed in it's entirely, and get our trademark rights clearly reinstated. Kent was skilled and conscientious in providing his services to us. We appreciated his communication and client concern during the entire process. We highly recommend Kent very much.

Sincerely,

A handwritten signature in black ink on a light yellow background. The signature is cursive and reads "Richard J. LeJuerrne".
